FACT

BENEFIT

Pillow Top

Luxurious moisture dispensing VISCOSE BREATHE blue gel and Hyper Soft polyurethane layers offer a comfortable yet supportive plush boxed top layer.

Infinity Spring unit

The Infinity continuous coil system equates to 150% more working coils, correcting sleeping posture and maximising comfort through pressure distribution.

Foam Encased

The spring unit is encased in a high density firm polyurethane foam as a reinforced edge support.

Heat Tempered

The Infinity spring units are heat tempered for more rigidity and to ensure a minimal compression set.

Open cell technology

VISCOSE BREATHE blue gell is manufactured with an open cell structure which allows for ventilation ensuring an ultra hygienic sleep environment.

Knitted Jacquard

The soft touch jacquard ticking is micro-quilted to ensure optimum heat dissipation.

Hygienic & Non Toxic

All foams used in the manufacturing process are produced in-house at Strandfoam Group and is completely stable, non-toxic and Hygienic.

Non Turn

Simple rotation of the mattress will ensure both comfort and longevity without having to turn the mattress.
